

To the Faculty of Lane Seminary  
Gentlemen

In accordance  
with my original plan, stated when I entered,  
I wish to leave the institution at the close of  
the present term - The reasons for this course  
have been fully expressed in several conver-  
sations with different individuals of your  
number - I deem it unnecessary to repeat  
them - By this I request a dismission from  
the Seminary with such statement of my  
qualifications for the ministry as you are  
pleased to give -

Very Respectfully  
W. A. Hitchcock
